

ECO Pass Program saves employers money

Buy more, save more! Save 10–25 percent on MTS bus and Trolley monthly passes. The MTS ECO Pass program is ideal for organizations with 25 or more employees who ride the bus or Trolley to work. By purchasing passes in bulk and in advance, employees and employers can save money and administrative time.

ECO Pass program pricing

| discount | average riders per month | monthly passes per year |
|----------|--------------------------|-------------------------|
| 10% | 25–100 | 300–1,200 |
| 20% | 101–400 | 1,212–4,800 |
| 25% | 401 or more | 4,812 or more |

The ECO Pass program offers 3- and 12-month prepaid plans. The 3-month plan lets employers assess employee participation before they upgrade to the 12-month plan.
