

TripTracker

TripTracker will help you measure the savings of your alternative commute – both to your wallet and the planet.

- Log your carpool, vanpool, transit, bike, walk to work, or telework trips
- Watch your savings add up
- Track your shrinking carbon footprint
- See how many solo-driving miles you eliminate
- Eligible commuters are automatically entered into monthly prize drawings

For more information, visit 511sd.com/iCommute, call **511** and say “**iCommute**,” or email iCommute@sandag.org.
