SANDAG Grants's Open and Closed Solicitations are posted below. Please [register](#) or [login](#) to see details of all open opportunities.

Welcome to SANDAG Grants!

As the regional planning agency, the San Diego Association of Governments (SANDAG) allocates millions of dollars each year in local, state, and federal funds through several competitive grant programs. Grants awarded range from infrastructure projects to habitat management and monitoring efforts to specialized transportation services for senior and disabled populations. While each individual grant program maintains a particular focus, all work together to enhance our region's quality of life.
